Instructional Coaching Certificate*

The NEW motivating individualized professional development that changes lives, careers, and helps students find the joy of learning!

Andrews University Instructional Coaching Certificate offers educators a way to share their expertise and profit professionally.

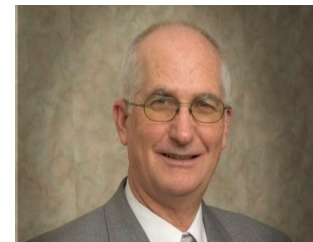

Andrews University is offering the Continuing Education Instructional Coaching Certificate (CEU) that is foundational to the Instructional Coaching *Professional Certificate*.

Instructional Coaches partner with teachers/administrators to:

- analyze current reality, set goals, identify, and explain teaching strategies to hit the goals, and
- provide support until the goals are met.
- Preparing to help other teachers, which is a double reward!

50 Hours of dynamic and personal experience to take what teachers or school leaders have learned to help other teachers survive and thrive in the classroom. This Professional Certificate can be realized in as little as 5 months or longer to fit individual schedules. The IC certificate sessions are virtual. Costs are from \$500/module to

\$2,500/CEU certificate. Many unions and conferences are subsidizing this certificate for professional teachers, superintendents, principals, administrators. Having coaches available in a conference or school is a great asset.

Small cohorts are forming now!
